FORGET the Idiot's Guide or the guide for DUMMIES! You are going to create the ultimate
"**GENIUS** GUIDE TO PRECOLUMBIAN NATIVE AMERICANS!"
Your task will be to compile the following information and resources into a booklet you design. You will share what you have learned about your culture to the class in a MAXIMUM five minute presentation! Divide the tasks among your group members and indicate which tasks each completed on a table of contents.

Include in your booklet:

30 points   ___ An introduction and summary of your culture which must include at least a paragraph on
                        each of the following:
                               Culture:
                                        -Lifestyle, Economy, Technology, Art & Decoration, Language
                               Belief system
                               Political Structure
                               Summarizing interaction with European settlers in the first 100 after contact.

20 points   ___ A set of geographic reference materials, including:
                        -Estimated population pre contact with Europeans
                        -Estimated population 100 years after European contact
                        -A map showing territory and important settlements/locations in 1800
                        -A series of smaller maps showing change over time to today

10 points   ___ An annotated list of at least five of the most important figures in the culture and at least 5 of
                        the most important events in the history of this culture.

10 points   ___ At least 10 images depicting the events, technology and people of the culture

10 points   ___ INDIVIDUAL WORK ETHIC AND PARTICIPATION

5 points   ___ Put THOUGHT, WORK and CREATIVITY into designing your booklet. Include:
                        -Table of contents
                        -Binding for your book
                        -Neatness & organization

5 points   ___ Works Cited page including all team member's research

TOTAL POSSIBLE - 100!!!
