The Honorable Harry S. Truman
The White House
Washington, D.C.

Dear Mr. President:

AMVETS (American Veterans) support your painful decision to relieve General Douglas MacArthur of his command on obvious grounds of repeated insubordination in violation of basic American principles governing civil versus military authority.

AMVETS recognize, and believe the overwhelming majority of Americans recognize, that the issue here is not whether General MacArthur is right or wrong or whether administration policies are right or wrong. The issue clearly and simply is whether the ultimate civil authority of the United States can tolerate, no matter what the motives, actions in contempt of constitutional lines of authority. Any lessening of civil power over military power must inevitably lead away from democracy.

AMVETS are keenly aware of General MacArthur's greatness and his immense contributions to his country as a military leader. But constitutional principles are greater than any one individual.

We know your decision demanded coverage because of the many emotional factors involved. We believe you had no other choice.

We hope, however, that you will speedily re-annunciate (re-state) and re-affirm our overall and long-range policies in the Far East to help unify America and to stabilize political opinion throughout the world. We pledge you our continued support as Commander in Chief in the prosecution of the Korean war while praying for the success of your efforts to achieve peace.

Sincerely yours,

Harold Russell
National Commander

The Hon. Harry S. Truman
President of the United States
The White House
Washington, D. C.

Dear Mr. President:

Our far-eastern policy must protect either the rights of free nations or Communists interests. Without regard to the preferences of most Americans, you have chosen to support the latter.

You have thrown into the trash-pile all that has been accomplished in Japan in the last five years.

You have sold us out and the Kremlin (Soviet government) should give you a 21-gun salute. They probably will – aimed right at our bewildered forces in Korea.

If the letter of a single person will persuade my senators or my representative in Congress to support a motion for your impeachment, that letter is in the mail.

Your dismissal of Douglas MacArthur confirms your devotion to Communist Russia. You have kicked out, with insults, the most brilliant, courageous and successful man representing our country abroad.

You have fired a man whose first and whole devotion has been to the best interest of our country. (He didn't think about the Democratic vote in Missouri.) He has done a top job, but he couldn't be red-taped. So he got fired, and the hell with U.S.A. Harry is top-boy, and he has to prove it. Why stop with Formosa? Let's give them Japan, and Hawaii, and Alaska - and why not the Panama Canal?

Yours sincerely,
(and don't bother with the form letter reply)
